Attention: ANDREI MOLDAVANOV

Dear Sir/Madame:

I have reviewed the test report and related documents, and am pleased to advise that this device meets our procedural and specification requirements for certification. The field offices have been notified.

The assigned certification number and the model number must be shown on each equipment model. This certification identification information may be shown on the equipment model identification plate or on a separate label that shall be indelible and tamper proof. The certification number shall be prefixed with the letters "IC." Radio equipment is certified as described on the attached certification certificate.

Certificate(s) are attached for the following model(s):
TR-WMX-3.65-pBS

Please check the certification & the REL web site to insure that everything is correct.
A website has been established which includes the status of applications.
The address is <http://strategis.ic.gc.ca/app/sitt/reltel/search/newRadioSearch.do?language=eng>

Sincerely,

Timco Engineering Inc.
